chieftainfabrics

Our most enduring range, Just Colour is Chieftain Fabrics' best-seller, thanks to its extensive colour palette, high-performance properties and eco-friendly formulation. As with all Chieftain Fabrics, Just Colour is manufactured within the EU and is REACH compliant. Our entirely vegan range is also phthalate free. Just Colour's backing cloth is produced from recycled polyester thread and organic cotton. It is essential for us to be as environmentally responsible as possible in all areas of production, making our impact less and our contribution greater to our planet.

Care and Cleaning Guide Chieftain Fabrics vinyl should be cleaned regularly. Oil and ink must be removed immediately. Clean with warm, mild soapy water and a microfibre cloth or a soft hand brush and dry immediately. Please, do not use solvents, chloride, abrasives, chemical cleaning agents or wax polishes. Note that colourings by jeans or other textiles are excluded from any manufacturer's guarantee. In situations requiring a high level of disinfection, use a 1:4 bleach to cold water dilution. Always follow manufacturer safety guidelines and wear appropriate PPE.

Disclaimer Batch-to-batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Chieftain Fabrics.
